

FOR FIRE ACADEMIES & FIRE-RESCUE DEPARTMENT S

Firefighter physicals

The academy's DFS-K4-1022 exam and NFPA 1582 physicals, walk-in.

The State Fire Marshal's medical examination for fire academy entry (Form DFS-K4-1022), and NFPA 1582 candidate and annual physicals for departments — at Davie and Plantation, with the EKG, spirometry, chest X-ray and blood work on site.

✓ DFS-K4-1022 for academy entry

✓ NFPA 1582 candidate & annual

✓ EKG, spirometry & X-ray on site

✓ Open 7 days · no appointment

Fire academy entrance — DFS-K4-1022

Before a Firefighter I/II or minimum-standards course, applicants submit the Bureau of Fire Standards and Training medical form. Bring the form from your academy: the history, examination, vision, hearing and the tests it lists are done at the visit.

NFPA 1582 physicals for departments

- ✓ Medical history and a full examination, including vision, hearing and blood pressure.
- ✓ 12-lead EKG, and cardiac risk assessment appropriate to age.
- ✓ Spirometry, and a chest X-ray when the department's schedule calls for one.
- ✓ Laboratory panel — CBC, metabolic panel, lipids, urinalysis — drawn on site.
- ✓ Immunization review and TB testing, with vaccines given at the visit.
- ✓ The department's form or a medical clearance letter, sent to its designated contact.

What to bring

- 1 The form printed, with your sections completed, and a photo ID.
- 2 Glasses or contacts, a list of medications, and any cardiology or specialist letters the form asks for.
- 3 Your academy or department contact, for delivery of the completed form.

Good to know

Lab results return in a few business days and the form is finalized then. The CPAT is run by the academy or department — the medical clearance is what allows you to take it.

Onboarding a class?

A respirator fit test or a drug screen the department adds can be done in the same visit.

urgentmed.us/services/firefighter-physicals

Most licensing and program physicals are self-pay; the front desk quotes the price before you are seen. When an employer has an account, the exams it orders are billed to that account.

Emergency? Call 911.

Chest pain, trouble breathing, severe bleeding or stroke symptoms need an emergency room.
