

FOR POLICE, CORRECTIONS & SECURITY ACADEMIES

Police & security physicals

Bring the academy's or agency's packet — the exam and the tests it asks for are done on site.

The FDLE CJSTC-75, and the academy, agency and security-licensing forms that go with it, completed as a walk-in visit at Davie or Plantation — with the EKG, lab work, X-ray and drug testing those forms often require on site.

- ✓ CJSTC-75 physician's assessment
- ✓ Broward College IPS clearance form
- ✓ Chain-of-custody drug test
- ✓ Open 7 days · no appointment

Forms we complete

- ✓ **Police academy entrance** — the CJSTC-75 and 75A, or the Physician's Medical Clearance Form Broward College's Institute of Public Safety uses for its physical-ability and swim tests.
- ✓ **Agency pre-hire and reactivation** physicals for police, sheriff's office, corrections and probation officers.
- ✓ **Corrections, probation and detention** — the same CJSTC-75, plus the TB test and immunization review detention agencies add.
- ✓ **Security licensing** — the medical section of the Class G application (FDACS-16008), and employer or training-school forms for Class D officers.

On site, the same visit

- ✓ Drug testing for the background investigation, collected with chain of custody.
- ✓ Agency add-ons: EKG, blood work, chest X-ray, spirometry, TB test and immunizations.

What to bring

- 1 The CJSTC-75 and completed CJSTC-75A, or the agency, academy or FDACS form you were given.
- 2 Photo ID, glasses or contacts, hearing aids if you use them, and a list of medications.
- 3 Any specialist letters for a condition the form asks about.

For academies and agencies

Candidates walk in the week they need the form — no appointment, seven days a week. When an agency has an employer account, the exams it orders are billed to that account.
